Water Account Number: _____ Service Address: _____

The City of Santa Barbara (City of SB) and Goleta Water District (GWD) are offering rebates for upgrades to irrigation systems and landscaping to increase water efficiency. **PROJECTS MUST BE APPROVED IN ADVANCE. THE PROGRAM IS NOT RETROACTIVE. LANDSCAPES FOR NEW CONSTRUCTION ARE NOT ELIGIBLE. Sales receipts and/or contractor invoices are required for all rebates. Only the retail cost of material will be rebated.**

How Much Is The Rebate?

The program covers a portion of the cost of approved irrigation equipment and landscape materials.

- **Irrigation Equipment:** 50% of the cost of drip irrigation parts, sprinkler system efficiency retrofits, and rotating sprinkler nozzles.
- **Water-wise Plants and Mulch:** 50% of the cost of water-wise plants and mulch. Planted areas must be covered with a 3-inch layer of mulch. Hardscapes and pathways, including decomposed granite not eligible.
- **Smart Irrigation Controller:** 50% of cost of the smart irrigation controller. Smart irrigation controllers work on a simple principle: provide the appropriate watering schedule; automatically adjust for weather changes; irrigate based on the needs of your plants.

Performance based rebate program. Project must result in a net reduction in total landscape water consumption for the site.

Any combination of items above may qualify for a maximum rebate amount of \$2,000 per account serving irrigated area and \$4,000 per site for accounts classified as commercial and multi-family, including homeowner associations.

How Do I Participate?

- Step 1:** Make an appointment for a **"Pre-Qualification Inspection"** site visit with a Water Conservation Program representative. If your project qualifies, you will receive the pre-qualified list of items eligible for rebate.
- Step 2:** The purchase and installation of all equipment denoted by Water Conservation staff under the heading of "Pre-Qualified Equipment" must be installed within **60 days** of the date of the Pre-Qualification Inspection.
- Step 4:** Call for a final **"Post-Installation Inspection"** appointment within **60 days** of the date of the **Pre-Qualification Inspection**. Receipts are required for all rebates. Ask your contractor for a separate invoice for materials stating: "Labor billed separately."
- Step 5:** Be ready to show your finished project. Rebate check will be issued within 30 days of final inspection.

TERMS & CONDITIONS

1. The **Applicant** applying for the rebate(s) **must be a City of Santa Barbara or Goleta Water District customer.**
2. **Only Pre-Qualified Equipment** as determined by a Water Conservation staff member, upon verification of anticipated water savings, shall qualify for a rebate after installed.
3. All Pre-Qualified Equipment as detailed on this application are **valid for 60 days** from the **Pre-Qualification Inspection** date.
4. The purchase and installation of all equipment denoted by Water Conservation staff under the heading of "Pre-Qualified Equipment" must be installed within 60 days of the date of the **Pre-Qualification Inspection**.
5. The reverse side of this form must be completely filled out.
6. Applicant must attach a legible copy of the valid, dated sales receipts to this application to qualify.
7. Rebates shall be on a one-time basis per address or customer.
8. A **Post-Installation Inspection** of the property to verify model, type and installation within 60 days of the date of the Pre-Qualification Inspection is required.

Note: **Rebate amounts are subject to change without prior notice and based upon availability of funds.**

For more information call (805) 564-5460 (City of SB) or (805) 964-6761 ext. 643 (GWD)
or visit www.sbwater.org

PRE-QUALIFICATION: You are pre-qualified for a potential rebate for City and GWD approved irrigation equipment and planting materials as denoted by staff on the table below under heading "Pre-Qualified Equipment". Once installed, (1) Complete the section under the heading "Installed Equipment," then (2) Contact the Water Conservation Office at (805) 564-5460 (City of SB) or (805) 964-6761 ext 643 (GWD), for a post-inspection within 60 days of the "pre-qualification inspection" date.
Your **Pre-Qualification Inspection Date** is: _____

PRE-QUALIFIED EQUIPMENT					INSTALLED EQUIPMENT		
<i>(Official Use Only – Initial Inspection)</i>					<i>(Customer Use Only)</i>		
	Station(s)	Quantity	Type		Date Installed	Quantity	
Smart Irrigation Controller(s)					Smart Irrigation Controller(s)		
	<input type="checkbox"/>						
Pressure Regulator / Pressure compensating sprinkler bodies					Pressure Regulator Equipment		
Pressure Regulator	<input type="checkbox"/>						
Rain Sensors *See terms & conditions of Rain Sensor Program					Rain Sensors		
	<input type="checkbox"/>						
Water Wise Plants *Only for replacing lawn or high water using plants					Water Wise Plants		
	<input type="checkbox"/>						
Mulch *Only for mulching 3" deep in area previously without mulch					Mulch		
	<input type="checkbox"/>						
Sprinklers *Only for replacing existing 2" or inefficient, old pop-up heads					Sprinklers		
4" or 6" Pop-Up Heads	<input type="checkbox"/>						
4" or 6" Pop-Up's w/ Check Valves	<input type="checkbox"/>						
Rotating Nozzles					Rotating Nozzles		
	<input type="checkbox"/>						
	<input type="checkbox"/>						
Drip Conversion	Quantity	Type	Area	Drip Conversion			
Recommended Equipment	<input type="checkbox"/>						
Recommended Equipment	<input type="checkbox"/>						

By signing below, you indicate that you agree to the "**Terms and Conditions**" of the Smart Landscape Rebate Program as detailed on this form. Please, note that any and all applicable rebates are only valid for a period of 60 days following the date of the **Pre-Qualification Inspection**. Once the pre-qualified equipment is installed it is the **applicant's responsibility to arrange a Post Installation Inspection** of the installed equipment by a Water Conservation Program staff representative within the 60 day period following the **Pre-Qualification Inspection**. Failure to comply with these terms and conditions and those detailed on this form are automatic grounds for disqualification from the program. To contact a Water Conservation Staff member call (805) 564-5460 (City of SB) or (805) 964-6761 ext 643 (GWD) for a post-inspection appointment..
